# HOTBOX SAFETY LMS
## LEARNING MANAGEMENT SYSTEM

**HOTBOX** Safety

2022 presents a whole new set of challenges for businesses everywhere. With a new administration, OSHA guidelines, COVID-19 procedures & increased penalties; a proper training program shows to be one of the most important and impactful elements to a successful Safety Program.

HotBox Safety offers an all-in-one safety management software that gives you complete access to industry-specific training plus the ability to create your own courses.

Proper and consistent training has shown to have a minimum ROI of 25%, decrease incident frequency by 88%, claim dollar amount by 80%, and average lost time per claim by 87%.

Get out of the classroom and get back to working on-site.

## TOTAL BENEFIT

✓ The flexibility of accessing training anytime, anywhere, through any device
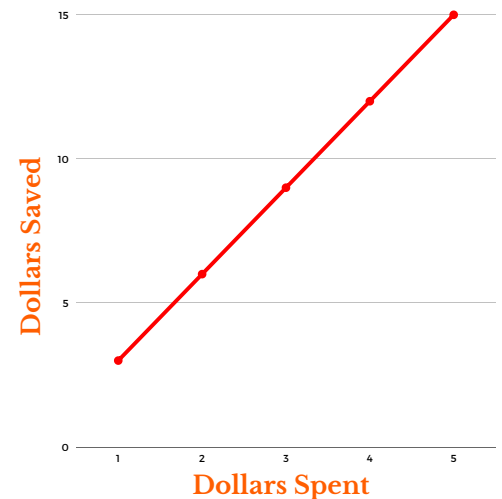

✓ Ability to create and upload your company specific training

✓ Real time tracking to keep up with completion and refreshers

✓ Multi-device compatible (IOS, Android, Phone, Tablet, Desktop)

Dollars Saved vs Dollars Spent

**$13,653**
*2021 Cost Per Penalty*

*Up To*

**$136,532**
